

REQUEST FOR EXPRESSION OF INTEREST
FOR
SETTING UP ADVANCED LIQUOR WHOLESALE DEPOTS FOR
RSBCL & RSGSM IN ALWAR, SRIGANGANAGAR, DHOLPUR &
BARAN

REol Reference No: _____

Issued by

Rajasthan State Beverage Corporation Limited

Project Location(s) Four (4) locations – Alwar, Sriganganagar, Dholpur & Baran
Requesting Agency Rajasthan State Beverage Corporation Limited (RSBCL)

Timelines for Submission of Expression of Interest

Start Date & Time 03/02/2026 11:00 A.M.
End Date & Time 18/03/2026 06:00 P.M.

Pre-submission Conference

Date & Time 05/03/2026 12:00 P.M.
Venue Auditorium, 6th Floor, CoERRA Bhawan

The bottom of the page features several handwritten signatures and initials in black ink. On the left, there is a large, stylized signature. To its right are several smaller initials, including 'B', 'L', and '3D'. Further right, there is a signature that appears to be 'Gir' and another that looks like 'S179'. On the far right, there is a signature that resembles 'K'.

1. Introduction

Rajasthan State Beverage Corporation Limited (RSBCL), hereinafter referred to as RSBCL or the **corporation**, is considering setting up **Modernised Liquor Wholesale Depot(s)**, hereinafter referred to as the **depot(s)**, in the state of Rajasthan for their liquor wholesale operations. These depots shall work as joint depots for both the corporation (RSBCL) as well as Rajasthan State Ganganagar Sugar Mills Limited, hereinafter referred to as RSGSM. Under the scope of developing such depots, key considerations are to procure and install **modern infrastructure and high-tech equipment** alongwith services to run **efficient depot & wholesale operations** benchmarked with relevant **standard & best practices**.

1.1. Project Locations and Capacity Requirements

The corporation is considering setting up four (4) modernized liquor wholesale depots at following locations in the existing depot infrastructure of RSBCL & RSGSM, hereinafter referred to as **Project Sites**, with mentioned capacity requirements for storage and despatches for both RSBCL & RSGSM:

SN	Project Site	Storage Area (Sq. ft.)			Storage Capacity (Cases)			Annual Despatch (Cases)		
		RSBCL	RSGSM	Total	RSBCL	RSGSM	Total	RSBCL	RSGSM	Total
i	RSBCL Depot, Alwar	15,198	2,400	17,598	88,893	9,600	98,493	16,53,838	4,59,468	21,13,306
ii	RSGSM Depot, Sriganganagar	15,508	8,000	23,508	90,252	32,000	1,22,252	8,64,792	5,64,708	14,29,500
iii	RSGSM Depot, Dholpur	13,850	4,000	17,850	80,854	16,000	96,854	3,51,505	5,88,103	9,37,608
iv	RSGSM Depot, Baran	8,430	7,900	16,330	48,907	31,600	80,507	4,73,013	10,11,296	14,84,309

The design of the depots should be such that it can meet the current requirements, able to cater to annual increase in storage and dispatch requirements for at least next fifteen (15) years.

More such depots may be setup in similar way considering the present and future needs. The learnings acquired with this exercise shall be utilized in replicating such depots further considering ongoing & future requirement.

1.2. Procurement method

This procurement exercise shall be conducted under **Design-Build-Finance-Operate-Transfer (DBFOT)** mode of **Public Private Partnership (PPP)** model.

The corporation intends to follow **two-stage process** for selection of the **Implementation Partner**, hereinafter referred to as the **IP**, for each envisioned depot.

1.3. Implementation process

All the activities required for commissioning and running the services must begin, execute and conclude in a **projectized manner**, hereinafter referred to as the **Project** for respective depots. The duration allotted for each such project for respective depots shall be referred to as **Project Period** for that depot.

At present, the mentioned project sites are owned and operated by RSBCL & RSGSM respectively. Through this procurement exercise, the infrastructure and equipment built/procured shall be the property of the IP during the project period. Further, during

the project period, the IP shall be responsible to use the equipment/infrastructure items appropriately for installation and/or rendering the services under respective scopes of work. At the end of the project period, the IP must transfer the ownership of the complete set of equipment & infrastructure delivered under the project to the corporation, and handover all the associated project documents & artifacts to the corporation or its authorised representative/agency before exiting the project.

1.4. Procurement process

The corporation intends to follow **two-stage process** for selection of the IP for each envisioned depot.

First stage of the procurement process shall be conducted through this **Request for Expression of Interest**, hereinafter referred to as **REoI**. The corporation encourages experienced & capable firms, companies & groups (joint-ventures or consortiums), hereinafter referred to as the **applicants**, who are interested in supporting the corporation achieve the envisioned objectives for mentioned one or more depots to submit their Expression of Interest, hereinafter referred to as **EoI**.

In the second stage, the corporation shall issue detailed **Request for Proposal**, hereinafter referred to as **RFP**. The bidders shall be required to submit their **proposal** in response to RFP. Based on the terms outlined in RFP, received proposals shall be evaluated to select one IP for each project site. The issued RFP will be open for all bidders.

1.5. Joint Ventures/Consortium

Joint Ventures/consortiums are also allowed to submit their EoI. All parties to the Joint Venture shall sign the EOI and they shall be jointly and severally liable and a Joint Venture shall nominate a representative who shall have the authority to conduct all business for and on behalf of any or all the parties of the Joint Venture during the bidding process. In the event the bid of Joint Venture is accepted, either they shall form a registered Joint Venture company/firm or otherwise all the parties to Joint Venture shall sign the Agreement.

In any case, a joint venture/consortium shall be allowed to have maximum three (3) partners including the lead partner.

Note: In case of any inconsistency, if so observed, between this process and RTPP Act 2012 & RTPP Rules 2013, RTPP Act - 2012 & RTPP Rules 2013 shall prevail.

2. Scope of Work

The broad scope of work for the IP is expected to include procurement, delivery, installation and commissioning of the depot infrastructure and equipment. Subsequent to commissioning, the IP shall be responsible for running the depot operations & maintenance of the infrastructure & equipment.

To further implement the vision set earlier in this document; more avenues to modernize, mechanize & standardize the depot infrastructure, equipment & operations

need to be explored. While doing so, following considerations must also be appropriately utilized:

- Strategic layout planning efficient receipt/dispatch operation catering to current as well as future needs of at least next fifteen (15) years.
- Designing for space utilization including both optimum utilization of floor as well as vertical space for maximum design capacity.
- Employing modern technology & machinery for high degree of automation & mechanization.
- Scalability of the capacities and flexibility for utilization as well as upgrade of infrastructure, equipment & services further.
- Adoption of continuous improvement practices based on past learnings & improvement avenues.
- Incorporations of technological interventions & innovations (such as robotics, IoT, AI etc.) during both design & implementations as well as through the operations & maintenance period post-operationalization.
- Deployment of designs, practices, methods & tools which are green, environment friendly, sustainable as well as energy efficient such as captive solar plant.
- Taking due care of employee training requirements & well-being keeping them aligned with and capable to manage the innovations & reforms in the respective depots

The IP shall be mandatorily required adhere to the extant & applicable act, rules, regulation & policies prescribed and updated from time to time by Excise Department, Government of Rajasthan.

The IP shall also ensure meeting the standards & benchmarks as detailed out in the RFP as well as included in their bids apart from other extant & relevant guidelines & compliance requirements from various government agencies and regulators.

2.1. Indicative Equipment & Infrastructure Requirements

Following is an indicative list of equipment & infrastructure components/items being considered for each depot for procurement, delivery, installation/development, commissioning & maintenance:

Depot & Material Handling	Additional Enhancements	Utilities & Facilities
Heavy Duty Rack Columns and Shelves	Desktop computer/Laptop	Captive solar power plant (to meet depot's power demand)
Pallets	Printer	Electrical infrastructure (transformers, lighting, backup power etc.)
Hand Pallet Trucks	Bullet Camera	Boundary walls and fencing
Battery Operated Pallet Truck	PTZ Camera	Security gates/posts
Battery Operated Reach Truck	NVR	Paved roads for vehicle movement
Battery Operated Forklift	UPS	Parking Divisions
Ladder	UHF/Rfid/Automatic Boom Barrier	Pedestrian pathways
Fixed industrial scanners	Anti-Theft alarm	Water supply and sanitation system
Handheld scanners	Fire safety system	Waste (Non-Excisable) management
Loading/unloading bays	Networking equipment & services	Office cabins and meeting rooms
Waste (Excisable) management	Exhaust/Ventilation system	Washrooms, Breakroom and cafeteria
Cold storage	---	---
Additional Floor Area/Level	---	---

Out of the components under the list of utilities and facilities as above, those not already present at the respective project sites may be within the scope of work for the IP to deliver under the respective project.

The IP should be advised to look for advancements in new technology (such as Robotics, IOT, AI, etc.) for the adoption in implementation in the respective depots even also during the operations and maintenance and come up with the appropriate suggestions for the same. The corporation may also suggest similar incorporation during this stage. The IP shall be required to come up with a detailed financial proposal & impact analysis for the consideration of the corporation.

Note: The applicants, in their EoI, are welcome to suggest components in addition to those mentioned above - clearly articulating their suitability, utility and advantages.

2.2. Indicative Services Requirements for Operations

Following is an indicative list of services under three (3) functional groups being considered for each depot for their operation after commissioning:

Core Depot Function	Supporting Functions	Facilities & Utilities
Consignment unloading <ul style="list-style-type: none"> Vehicle (load) placement at unloading bay Consignment unloading at unloading bay Vehicle (empty) release from unloading bay 	Gate operation (Receipt) <ul style="list-style-type: none"> Vehicle (load) entry Vehicle (load) verification for records & consignment Vehicle (empty) verification for records & consignment Vehicle (empty) exit 	Safety & Security <ul style="list-style-type: none"> Fire safety Physical security
Inventory management <ul style="list-style-type: none"> Stacking from unloading bay after unloading Shuffling of inventories within depot Inventory inspection & audit Wastage/Breakage/Losses monitoring & accounting Retrieval & transfer to loading bay for loading 	Parking & loading/unloading bay Management <ul style="list-style-type: none"> Parking allocation to vehicles (receipts) Loading/unloading bay allocation to vehicles 	Housekeeping <ul style="list-style-type: none"> Drinking water Pantry Cleaning & garbage collection
Consignment loading <ul style="list-style-type: none"> Vehicle (empty) placement at loading bay Consignment unloading Vehicle (load) release from loading bay 	Gate operation (Dispatch) <ul style="list-style-type: none"> Vehicle (empty) entry Vehicle (empty) verification for records & consignment Vehicle (load) verification for records & consignment Vehicle (load) exit 	Inspection & Maintenance <ul style="list-style-type: none"> Civil Electrical Mechanical IT Safety & security Miscellaneous

Note: The applicants, in their EoI, are welcome to suggest services in addition to those mentioned above - clearly articulating their suitability, utility and advantages.

2.3. Liquidated damages & other penalties for delays

During the project period, the IP for each Depot shall be encouraged to complete procurement, delivery, installation/development to achieve readiness for commissioning and start of operations & maintenance phase according to prescribed timelines. Further, the IP shall be encouraged to make efforts & provisions for achieving the prescribed milestone with expected quality & reliability by or before deadlines for each milestone. However, appropriate provisions shall apply to recover penalties from the IP concerned in case of delay(s) in the above-mentioned activities. This shall be done not only to discourage & deter from incurring delay(s) as mentioned above but also to safeguard the interests of the corporation due to monetary & equivalent losses due to such delays. The degree of penalties shall be prescribed in proportion to not only the value of delayed milestones or items therein but also to the degree of potential losses. The IP shall be advised to make necessary provisions & efforts so as to refrain from & avoid delays in meeting the deadlines for prescribed milestones and to ensure the same with specified quality & reliability or better.

2.4. Penalties for not meeting expected operations & maintenance service levels

The IP for each Depot shall be expected to meet minimum service level expectations prescribed in RFP with quality & reliability. Further, the IP shall be encouraged to improve the delivery of operations & maintenance service levels further. However, not meeting the minimum prescribed service levels shall be subject to penalties. Such penalties shall apply not only to discourage & deter the IPs from avoidable breach prescribed service level expectations as mentioned above but also to safeguard the interests of the corporation due to monetary & equivalent losses due to such breach. The degree of penalties shall be prescribed in proportion to not only the degree of unfavourable impact on the operations & maintenance services due to such breach but also to the degree of potential losses. The IP shall be advised to make necessary provisions & efforts so as to refrain from & avoid breach of prescribed minimum service levels in the operations & maintenance services and to ensure the same with specified quality & reliability or better.

2.5. Penalties for losses of goods from the time of receipt upto dispatch

The goods received by the IP from the vehicles (load) shall be the property of the depot after unloading and until issued for dispatch. The IP being responsible to manage the goods in the meantime, the IP must ensure no losses to the goods due to breakages, wastages or otherwise. For losses to goods while in the depot, the extant and relevant rules and guidelines issued from the corporation and Excise Department, Government of Rajasthan shall apply.

2.6. Utilization of software system(s) & service(s)

The IP must utilize software systems & services (such as IEMS), through a role-based access, for service delivery as & when applicable and mandated by the corporation including but not limited to scanning the goods for receipt, inventory & despatch transactions for Track & Trace.

The IP shall be required to develop, if needed, software systems/services/utilities for recording the IP's delivery & performance data under this project including but not limited to computing the payment due for each payment cycle and penalties applicable/recoverable from the IP's payment for respective payment cycles. The IP shall be required to make efforts to integrate such software systems/services/utilities with the software systems & services (such as IEMS) of the corporation so as to ensure system-to-system exchange of data without manual interventions for high integrity, security & reliability.

2.7. Payment model

The corporations shall make provision for payment to the IP for their services prescribed as above based on the number of dispatches of cases made every month. This shall be done to encourage the IP achieve higher dispatch volumes with efficiency, quality & reliability while minimizing losses of effort & goods by means of breakage, wastage or otherwise.

The payments to the IP shall apply only after commissioning & operationalization of the respective depot.

2.8. Payment method

The payment due to and penalties recoverable from the IP for the respective payment cycle shall be computed by the software systems & services of the corporation and presented in form of a report for each depot & IP. The IP shall be required to submit the invoice for the net amount that shall be paid after due verification to the IP as per such report for the respective depot/IP. Any applicable tax and further deductions on such account shall apply and shall be mentioned in the invoice as well as subsequent payment instruction/confirmation.

Note: For computing the project cost or value recovered by the IP, the amount due for payment before deducting any penalties shall be considered. Penalties will be treated separately and excluded from the computation of project value or amount recovered.

3. Submission & Presentation of Expression of Interest

3.1. Eligibility of applicants:

The applicants shall be considered eligible only if meeting following criteria and furnishing relevant documentary proof along with their detailed & complete EOI. Without relevant supporting documents, the EOI received shall be summarily rejected.

In case of a joint venture/consortium as an applicant, the lead partner must be clearly specified and must have more than 50% contribution to annual average turnover of the joint-venture/consortium in past five financial years.

SN	Eligibility requirement	Eligibility description	Supporting document required
i.	The applicant must be a Legal Entity	<p>The applicant must be a person or a firm, or a Company incorporated under the relevant Acts such as</p> <ul style="list-style-type: none"> ▪ A Company incorporated under the Companies Act, 1956 or 2013. ▪ A firm registered under the Partnership Act, 1932. ▪ Sole proprietor. ▪ A firm registered under limited liability Partnership Act, 2008. ▪ Consortium or Joint Venture 	<p>In case of a company: - Certified copy of the Certificates of Incorporation issued by the registrar of Companies ('RoC') and the Memorandum & Articles of Association OR In case of partnership firm: - copy of the registered partnership deed OR In case of sole proprietor: - Certified copy of the Registration. OR In case of LLP firm: copy of the LLP agreement along with certificate of incorporation OR In case of consortium/ joint venture: - The total number of consortium members excluding the lead partner cannot exceed Two. All parties to the Joint Venture/ consortium shall be jointly and severally liable and a Joint Venture or Consortium shall nominate a representative who shall have the authority to conduct all business as well as submit the EOI for and on behalf of any and all the parties of the Joint Venture or Consortium during the Bidding process. In the event the Bid of Joint Venture or Consortium is accepted, either they shall form a registered Joint Venture or Consortium as company/ firm or Consortium shall sign the agreement. OR</p>

SN	Eligibility requirement	Eligibility description	Supporting document required
			In case of a consortium/joint venture, the lead partner would need to submit a Consortium Agreement duly executed with the other consortium members for the contract clearly indicating the division of work with respect to the Scope of Work (naming relevant clauses and sub-clauses) and their relationship. Consortium Agreement must be prepared on a stamp paper of requisite value, along with certificate of incorporation/Registration.
ii.	The applicant has an authorised representative/signatory to submit EoI on applicant's behalf	The applicant submits their EoI through a designated authorised signatory who is authorized to represent the applicant to submit EoI on their behalf and, if selected further, to participate in the process of selection of the bidder for the second-stage, selection of implementation partner and subsequently to deliver the project.	The Power of Attorney / Board of Directors Resolution/Deed of Authority executed in favour of person(s) authorized to sign the tender document and/or any other documents as per the terms and conditions of the tender. OR Nomination from the Joint Venture or Consortium for a representative who shall have the authority to conduct all business as well as submit the EOI for and on behalf of any and all the parties of the Joint Venture or Consortium during the Bidding process.
iii.	Financial Turnover	The applicant must have Average Annual turnover of minimum ₹3,00,00,000 in last five (5) financial years.	Following duly signed by the authorised signatory of the applicant: <ul style="list-style-type: none"> Finalized financial accounts & audited balance sheet signed by their CA (mentioning their UDIN) for last five (5) financial years. Turnover certificate issued by CA (mentioning their UDIN) for last five (5) financial years.
iv.	Experience	The applicant must have completed at least one work of delivery, installation, commissioning & operationalization of infrastructure, equipment & services for a depot for liquor products or other beverages or other similar products ¹ which is operational for at least one (1) year since its operationalization in last five (5) financial years having a financial volume of minimum ₹3,00,00,000 for another organization as their client OR for their own/captive usage.	Following duly signed by the authorised signatory of the applicant: <ul style="list-style-type: none"> Certificate issued by their CA (mentioning their UDIN), clearly specifying the receipts (in case of delivery to another organization) OR payments (in case of setting up own/captive depot) for mentioned infrastructure, equipment and/or services. Work order (in case of delivery to another organization) or successful completion certificate (in case of setting up own/captive depot).
v.	The applicant must not be blacklisted in India.	The applicant must not be blacklisted from doing business within any of the states or union territories in India at the time of submitting their EoI.	Self-declaration from the authorised signatory for EoI to the effect that the applicant is not blacklisted from doing business within any of the states or union territories in India at the time of submitting their EoI.
vi.	There must not be any cases pending or conviction against the applicant (all the partners in case of a joint venture/consortium) or their authorised representative at the time of submission of EoI.	There must not be any cases pending or conviction against the applicant (all the partners in case of a joint venture/consortium) or their authorised representative at the time of submission of EoI.	The applicant through its authorised signatory must submit a self-declaration to the effect that there are no cases pending or conviction against the applicant (all the partners in case of a joint venture/consortium) or their authorised representative at the time of submission of EoI.

Note: Last five (5) financial years shall mean the financial years 2019-2020, 2020-21, 2021-22, 2022-23 and 2023-24.

3.2. Pre-submission Conference

A pre-submission conference of interested applicants shall be organized as mentioned in this document to answer to any queries and clarification requests therein.

¹ Other similar products shall include products from the industries such as Pharmaceutical, Oil Industry, FMCG etc. having finished goods with liquid contents and bottled in containers of glass, PET, TetraPack etc. similar to the liquor/beverages products and handled in and as individual containers or a pack of containers.

The interested applicants are advised to visit the mentioned project sites preferably before attending Pre-submission Conference so as to build appropriate understanding of the project sites.

SN	Project Site	Contact Person	Address & Contact Information
i	RSBCL Depot, Alwar	Depot Manager	F-48, Agro Food Park, Matasya Industrial Area, Alwar. Mobile: +91 637 691 4803
ii	RSGSM Depot, Sriganganagar	Depot Manager	Plot No - 227 Riico, Sri Ganganagar (RAJ) Pin - 335001. Mobile: +91 637 795 0069
iii	RSGSM Depot, Dholpur	Depot Manager	Plot No - E-91 Riico Growth Centre Dholpur (RAJ) Pin-328001. Mobile: +91 941 366 7590
iv	RSGSM Depot, Baran	Depot Manager	Plot No - G-192, G-195, G-202, G-203, Riico Industry Area Baran (RAJ) pin - 325205. Mobile: +91 998 207 2805

The corporation reserves the right to issue clarifications, responses to the queries, addenda, corrigenda before or after the pre-submission conference and before the submission deadline so as to facilitate the interested applicants with information necessary for preparation of EoI by the applicants.

3.3. Preparation of Expression of Interest

The EoI must be submitted responding to this REoI especially responding to the clauses **1. Introduction & 2. Scope of Work** and the subclauses under those mentioning following as applicable:

- i. Agreeability on requirements laid out
- ii. Point(s) of disagreeability on the requirements laid out, if any, along with reasoning
- iii. Additional suggestions, if any
- iv. Suggestive design & layout for the depot compound & storage areas
- v. Outlines of execution roadmap with estimated timelines
- vi. Estimated project value (capital & operational expenditure)
For the purpose of project value estimation, the project period may be assumed as ten (10) years (in Annexure 5)
- vii. Risk, mitigation options & support requirement from the corporation
- viii. Any other submission & suggestions

Any applicant may submit their Expression of Interest for one or more sites mentioned in this document with all the above information for each such site.

3.4. Presentation on Expression of Interest

The applicants whose EoI is found to be duly complete, eligible and responsive in all respects shall be required to make a presentation for their the same before a committee constituted by the corporation. The date, time & venue for this presentation shall be informed later.

3.5. Application fee

The applicants shall be required to deposit Rupees Five Thousand only (₹5000.00) exclusive of applicable GST by prescribed deadline for submission of EoI. The application fee (including GST) shall be acceptable either through online transfer into the bank account of the corporation or in form of a Demand Draft drawn from any scheduled bank in India in favour of Rajasthan State Beverages Corporation Limited and payable at Jaipur, Rajasthan. The application fee shall be non-refundable.

The Eol must be accompanied by the demand draft or, in case of online transfer into the bank account of the corporation, a copy of proof of payment of application fee and applicable GST. Without the Demand Draft or proof of payment, as applicable, Eol received shall be summarily rejected and ignored.

Following are the relevant details:

Bank Account Holder's Name: RAJ STATE BEVERAGES COR LTD

Bank Account Number: 3554001800000055

IFSC Code for Bank's Branch: PUNB03555400

Application Fee: ₹ 5000.00 (Rupees Five Thousand Only)

GST on Application Fee: ₹ 900.00 (Rupees Nine Hundred Only)

Total amount Payable: ₹ 5,900.00 (Rupees Five Thousand and Nine Hundred only)

3.6. Mode of submission of Eol

The applicants are required to make their submissions for Eol along with Demand Draft/proof of payment of Application fee in hard copy to the following address. The applicants are advised to take due care so that their Eol complete in all respect must be reach by or before the prescribed deadlines. Any Eol reaching after the submission deadline shall be summarily rejected and ignored.

Application Submission Deadline: 18/03/2026 06:00 P.M.

Address for Submission: Office of Executive Director, Rajasthan State Beverages Corporation Limited, 5th floor, CoERRA Building, Jhalana Institutional area, Jaipur – 302004.

Application to include: Eol, Duly filled Annexures, Supporting Documents, Demand Draft/ Proof of Payment for Application Fee)

Annexures

Annexure 1. Cover Letter for Expression of Interest Submission

(Mandatory to submit for each Expression of Interest; to be submitted on the company letterhead of the applicant, sealed and signed)

Date: __/__/2026

To,

Executive Director,
Rajasthan State Beverages Corporation Limited

Subject: Regarding setting up Advanced Liquor Wholesale Depot at *<please mention project sites>*

Reference: Expression of Interest in response to REoI No. ____ dated __/__/2026

Dear Sir,

1. I, the undersigned applicant, having read & examined in detail, the Request for Expression of Interest document, the receipt of which is hereby duly acknowledged. I, the undersigned, submit our Expression of Interest to offer to supply/work as mentioned in the Scope of Work, Technical Specifications, Service Level Standards & in conformity with the said REoI document for the same.

2. I hereby declare that our Expression of Interest is made in good faith, without collusion or fraud and the information contained in the EoI is true and correct to the best of our knowledge and belief.

3. I am hereby submitting our Expression of Interest and offer to provide services to Rajasthan State Beverages Corporation Limited for carrying out the project(s) in accordance with your Request for Expression of Interest.

7. I understand that Rajasthan State Beverages Corporation Limited is not bound to accept any EoI received in response to this REoI.

8. In case we are engaged by Rajasthan State Beverages Corporation Limited, we shall provide any assistance/cooperation required by Rajasthan State Beverages Corporation Limited, appointed auditing agencies (if any), state government officials and other stakeholders of the project for performing their duties with respect to this project. We understand that our non-cooperation for the same shall be grounds for termination of service.

Thanking you,
