### **Emphasis of Matter**

1. The company has made substantial quantum of advance payments to suppliers amounting to ₹1,50,22,191/- which is included in "Advance

to Suppliers & Others" Note no. 2.17 "Short Term Loans & Advances" in the Asset Side of the Balance Sheet. As informed by the management these advances are made against supplies already received from the suppliers amounting to ₹ 1,63,18,112/- but their bills have not been adjusted/passed for against such supplies and included in "Trade Payables" in Note no. 2.05 in the Equity & Liabilities side of the Balance Sheet. Thus, Assets and Equities & Liabilities are overstated to that extent.

2. Attention is invited that the Valuation of Heritage Liqueur (refer note no. 2.14 (c)) Stores & Spare Parts (refer note no. 2.14 (a)), Packing Materials and IMFL at Shop/ Warehouse is done at cost and not on the basis of lower of cost or net realizable value as prescribed by the Accounting Standard -2 "Valuation of Inventories" issued by the Institute of Chartered Accountants of India. In absence of complete information, the effect thereof is unascertainable.
3. Attention is invited to the Note No. 2.14 (b), regarding valuation of Inventories where few items of Inventories have been valued excluding Excise Duty amounting to ₹ 1,34,04,236/-. As per the Guidance Note issued by the Institute of Chartered Accountants of India on "Accounting Treatment for Excise Duty" which is mandatory, the valuation of Inventories should be done inclusive of Excise Duty. This has resulted into understatement of Closing Inventories, Expenditure and Current Liabilities by ₹ 1,34,04,236/-. However there is no impact of the same on the profit for the current F.Y. 2016-17.
4. The Company has not provided us any techno-economic assessment as on March 31, 2017, whether there is an indication that any asset is impaired, in accordance with the Accounting Standard-28 "Impairment of Assets" issued by the Institute of Chartered Accountants of India. As such we are unable to opine whether any impairment loss, remained un-assessed and un-provided.
5. Attention is invited to Note No. 2.05 "Trade

Payables", the company has not identified the enterprises qualifying under the definition of Medium and Small Enterprises as defined under Micro, Small and Medium Enterprises Development Act 2006 (MSMED). As a result no disclosure is given, as per requirement of Notification No. GSR 719(E), with regards to amount unpaid at the year-end together with the interest paid / payable under the MSMED Act.

6. Attention is invited to the note no. 2.31 regarding confirmation & reconciliation of balances of Trade Receivables, Trade Payables, Loans and Advances including claims recoverable as there is no system of seeking confirmation from such parties. Further, Sub-Ledgers of Licensee in Sales Modules on Computer System and Few Bank Balances are also subject to confirmation & reconciliation.
7. Attention is invited to the note no. 2.28 A (vi) Contingent Liability & Commitments of the Financial Statements regarding Liabilities towards TCS/TDS Defaults of ₹ 5.10 Lakhs which has been considered as Contingent Liabilities by the company.

The above Liability towards TCS/TDS Defaults of ₹ 5.10 Lakhs pertains to F.Y.s 2008-09 to 2016-17 for which assessment orders have been passed against the company (on various dates) and tax on account of short payment & interest there on, short deduction & interest there on, interest on late payment, additional late payment interest, late filing fees etc. of TDS/TCS has been demanded from them. As informed to us, the company has not pursued any appeals for the above till the date of audit. In accordance with the AS-29 "Provisions, Contingent Liabilities and Contingent Assets" issued by the Institute of Chartered Accountants of India, the above demand has not been contested by the company and thus does not appear to be contingent in nature and hence should have been accounted for in the books of accounts. Hence, the amount of Profit before Tax for the year is overstated by a sum of ₹ 5.10 Lakhs and Current Liabilities are understated by a sum of ₹ 5.10 Lakhs.

8. Attention is invited to Balance Sheet Note No. 2.06 "Other Current Liabilities" item "Advance from Licensees" amounting to ₹ 3,41,69,078/- which includes ₹ 1,48,82,912/- pertaining to current F.Y. 2016-17, however, the balance of Licensees for current F.Y. 2016-17 as per Customer Ledger Modules is ₹ 1,14,90,122/-. Therefore, the balance of Licensees as per Customer Ledger Modules does not tally with the Financial Statements. Due to the quantum of data and complexity of calculations involved, the quantification of the effect of such differences on individual heads of Financial Statements is not possible.
9. During the current F.Y. 2016-17 the Company has recovered a gross amount of ₹ 2,31,21,891/- towards Loading and Unloading from various suppliers of Country Liquor and Packing Materials ( netted from gross expenditure) included in Note No. 2.26 "Other Expenses". Simultaneously, Note No. 2.20 "Other Income" includes a sum of ₹ 84,35,001/- "Contract Amount" being income from Loading and Unloading received from various contractors. In our opinion and in accordance with the provisions of the Finance Act 1994 (as amended), Service Tax Liability amounting to ₹ 47,33,534/- (including cess) should have been recognized and accounted for which has not been done by the company. Hence, the Profit before Tax for the year is overstated by a sum of ₹ 47,33,534/- and the Equities and Liabilities have been understated by a sum of ₹ 47,33,534/-.
10. Attention is invited to Note no. 2.19 "Revenue from Operations" of the Financial Statements. During the current F.Y. 2016-17, 11,80,807 Units of Electricity was sold by the company to Jodhpur Vidyut Vitran Nigam Limited (JVVNL). As explained to us revenue for this sale is not recognized in the financial statements of the current financial year because the rate per unit of electricity has not been finalized and the matter is pending with RERC Tribunal for decision. It is observed that the cost of production of such electricity has been charged/ absorbed in the financial statements

of the current F.Y. 2016-17. This is not in accordance with the Matching Concept of Basic Concepts of Accounting. Records and documents for ascertaining the cost of production of such electricity sold to JVVNL are not held on records in absence of which quantification of the effect of such on the Financial Statements of the Current FY 2016-17 is not possible.

11. During the current F.Y. 2016-17 in few cases of procurement the company has not complied with the provisions & followed the process prescribed in The Rajasthan Transparency in Public Procurement Act 2012 and Rules 2013. However the nature of above non-compliance is procedural, hence financial quantification of the same is not possible.

Our opinion is not modified in respect of these matters.

## **Annexure - III to the Auditors' Report**

### ***Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")***

We have audited the internal financial controls over financial reporting of Rajasthan State Ganganagar Sugar Mills Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) to provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, and to the best of our information and explanations given to us except for the area mentioned in the "Emphasis of the Matter" in this report, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
